

Cow Mask Instructions

- Color your Cow mask using crayons or markers.
- Tape the craft stick to the back of the cow mask.
- Put the mask up to your face and give your best "MOOOOOO"

Parent Tip:

Pretend play is important for children for many reasons. Pretending to be an animal by moving or walking like one helps develop body awareness, gross motor skills, and can help with self-regulation (the ability to manage feelings, behavior and energy levels). So don't stop with the mask, can your child pretend to be a cow? What other animals can they pretend to be?
