

Cloud Instructions

- Use your scissors to cut out the cloud.
- Glue the cloud on the blue construction paper with the bottom towards the 6 hole punches.
- Stretch out cotton balls and glue them on your cloud.
- Cut 7 pieces of blue yarn.
- String 6 pieces of yarn through the holes in the bottom and tie.
- String the 7th piece of yarn through the top hole and tie in a loop to hang.

Parent Tip:

Lacing yarn through a hole is a great way to practice hand-eye coordination, fine motor skills, problem solving, sequencing, and attention. Make this task more fun by pairing it with crafts like this one.
