

# Dinosaur Hat Instructions

-Cut the green construction paper to the right size to fit your head. If you need to, you can tape or staple two pieces of paper together to get the correct length. **DO NOT TAPE THE CIRCLE CLOSED YET.**

-Cut large orange triangles out of the orange construction paper.

-Cut teeth out of the white construction paper.

-Glue orange triangles and teeth to the inside of the green strip.

-Use a black marker to draw eyes and a nose on your dinosaur.

-Use tape or staples to connect your green strip in a circle that fits your head. Put your hat on and give a big ROAR!
