

Hot Chocolate Instructions

- Cut out the outline of the mug.
- With a brown marker, draw a half circle at the top of the mug for the hot chocolate. Color in the half circle with the brown marker.
- Color the rest of your mug in whatever color or design you choose.
- Decorate your mug with stickers.
- Glue the white pom poms onto the brown hot chocolate part of your mug for marshmallows.

Parent Tip:

There are many benefits to cutting with scissors. One important benefit is that cutting is actually a precursor for handwriting. Cutting, along with coloring, also help with focus and attention. Cutting also strengthens hand muscles, works on bilateral coordination skills, eye-hand coordination, fine motor skills and more.
