

Hug Instructions

- Trace your hands on the blue construction paper and cut them out.
- Tape one side of the ribbon to the back of one hand print.
- Weave the ribbon through the hole punches in the hearts.
- Tape the end of the ribbon to the back of the other hand print.
- Decorate your hand prints and hearts with markers.
- Send your hug to a friend or family member that you miss.

Parent Tip:

This craft involves some weaving. Weaving helps to develop hand-eye coordination, concentration, understanding patterns and sequencing, and language concepts such as 'in,' 'out,' 'up,' 'down.'
