

Sheep Instructions

- Cut two rectangles from the black construction paper for legs.
- Cut a circle shape from the black paper for the head.
- Cut two oval shapes from the black paper for the ears.
- Glue the ears to the head. Glue the head on the doily.
- Glue the legs to the back of the doily.
- Glue the googly eyes on the head of the sheep.

Parent Tip:

Have your child point out the different shapes found in this craft. The rectangle legs, oval ears, and the circle doily, head, and eyes. See if they can find these shapes in other places around the house. What other shapes can they find in everyday household objects?
