Book Recommendation by Gerald

Crime Cinq more into a gritty, contemporary noir featuring mafia, CIA infiltrators, motorcycle gangs, and corruption within his own police department.

Trevor Ferguson's novels were critical darlings and commercial failures until he took up the pen name Farrow and wrote this crime novel set in wintry Montreal in 2000. The novel is based on Quebec's Biker Wars of the 1990s. There are nine Cinq-Mars novels with the publication of this year's *Lady Jail*.
