

Shaker Instructions

- Color the back of the paper plate however you want with crayons.
- Fold the paper plate in half.
- Staple half of the paper plate closed along the outside edge.
- Put beans inside the paper plate.
- Staple the paper plate closed the rest of the way.
- Shake your shaker to make music!

Parent Tip:

Help your child learn opposites with their shaker.

- Can they shake the shaker loud? Quiet?
- Can they shake the shaker up high? Down low?
- Can they shake the shaker fast? Slow?
- Can they shake the shaker to the right? To the left?
