

Sloth Instructions

- Color or paint the half paper plate brown (or gray).
- Cut out the inner part of the plate.
- Cut a circle out of the inner part of the plate (it might help to trace the bottom of a cup)
- Place the brown circle on the cream colored cardstock and trace it. Cut the cream circle out inside your traced lines so it is smaller than the brown circle.
- Staple the brown circle to the paper plate. Glue the white circle on top of the brown circle.
- Cut two rectangles from the brown cardstock that are rounded on one end. Draw simple sleepy eyes with a black marker. Glue the eyes on the cream circle.
- Draw a nose and mouth with a black marker.
- Draw three lines for toes on each side with a black marker.
- Cut leaf shapes from the green cardstock.
- Staple the sloth's feet to the brown cardstock strip.
- Glue the leaves onto the brown cardstock.
