

Bunny Headband Instructions

- Cut out the template pieces.
- Use the small ear template to trace and then cut out the inside section of the bunny ears on the pink paper.
- Glue the inside ear sections on the bunny ears.
- Glue the bunny ears onto the back of the bunny face.
- Glue a button to the center of the bunny's face.
- Glue two googly eyes to the bunny's face.
- Use a black marker to draw a bunny mouth underneath your button nose.
- Cut off six 2-inch pieces of pipe cleaner.
- Glue three pipe cleaners (whiskers) on each side of the nose.
- Staple the white rectangle section onto the sides of the bunny face section to create a circle headband.
- Glue a pom pom to the back of the headband for a tail.
- Allow the glue to dry and then place the bunny headband on your head.
