200E Water Street, Lake Mills, WI 53551

Friends of the LD Fargo Library,

Each year, Legendary Lake Mills chooses a winner of the **Shining Star Non-Profit Award**. This award is presented to a service organization or public institution that provides dedication to community service and leadership and develops innovative programs to serve the community over time. I am happy to inform you that the Friends of the LD Fargo Library has won the 2025 Shining Star Non-Profit Award.

At the Legendary Lake Mills Annual Dinner occurring on Tuesday, October 21st we will be showcasing the 2025 Award Winners, and at a later date, you will be presented with an award. Following the Annual Dinner we will submit a press release and announce your win to the community.

We thank you for your dedication to the Lake Mills Community and the Legendary Lake Mills: Chamber Main Street Organization. Your volunteerism and service to the community shines through, and we thank you for all that you do.

Congratulations,

Raina Severson, Executive Director
